

Dear valued customer,

We are pleased to announce GESCO's return to the Edmonton market with our new facility in partnership with OCTS. Our new dedicated facility will see enhancements to our current service levels for services such as,

- In town delivery
- Simplified pickup process at our GESCO depot *(Only need your reference number for pickup)*
- Dedicated GESCO service facility and staff
- Local stock inventory *(coming soon...)*
- Live order tracking & POD *(coming soon...)*

What does this mean to you? With this change we will no longer be servicing your business out of the Rosedale depot in Edmonton effective **Monday July 6th**.

All new pickups will be done at **26550 Acheson Road, Acheson** (see map below), only about 10 minutes away from the Rosedale depot. Our pickup service will be handled by our friendly service team between the hours of **7:30am – 4:30pm**.

We thank you for your continued support, and we look forward to seeing you soon.
