10-inch Wear-Ever® aluminum fry pan with natural finish and silicone handle

Built for demanding commercial kitchens, the Vollrath® Wear-Ever fry pan combines outstanding durability with dependable performance. Its heavy-duty, impact-resistant aluminum construction heats and cools quickly, with a low-profile design that cleans just as easily. The smooth, natural finish ensures even heat distribution, for consistent results you can count on. The new handle provides a cooler, more comfortable ergonomic grip and is heat resistant up to 450°F continuous use, 600°F intermittent use. The Ever-Tite system promises a lifetime limited warranty against loose rivets.
