# Cook's Brand Sentry Series Tumblers

## *features*

Models: 630-300SS, 630-310SS, 630-320SS

Improve your food service security in even the toughest, most abusive environments with the Sentry Series line of trays, tumblers, mugs and sporks. This innovative meal servingware is made of FDA approved pliable material that bends so inmates cannot make weapons. The line is highly durable and long lasting, and the innovative material Poly-TPE-29 provides safety benefits that aren't available from copolymer or polycarbonate serving ware.
