## PURPOSE

A hydrating cream masque with a generous amount of glycolic acid for optimal results. This gentle formula exfoliates and replenishes moisture to smooth fine lines and plump the skin. Licorice extract and vitamins A, C & E offer their benefits while sodium hyaluronate hydrates and softens the skin.

## BENEFITS

Derived from natural sugars; a form of alpha-hydroxy acid, helps to exfoliate dull skin cells.

Known to reduce inflammation, brightening and clarifying

A skin normalizer helping to balance the skin, a powerful anti-oxidant that increases skin elasticity, yielding younger-looking skin; an essential skin nutrient necessary for healthy skin maintenance and repair; moisturizes dry skin, reduces excess oil, smooths and softens

Humectant, regulating the level of hydration of skin; forms a moisturizing, non-occlusive layer of moisture on skin

A natural moisture binder that allows the skin to breathe and function naturally, an antioxidant, improves moisturization, softness and smoothness, provides modest photo protection, helps by slowing the aging process.
