

1.0 SCOPE

This is a multiple variation specification that considers: Intellectual Property Ownership, Drawing and Model Origination, and the intended business use for which information is being shared between Caterpillar and third parties.

2.0 DESIGN DESIGNATION

All part numbers released at Caterpillar Inc. shall have one of the following designations.

Designation	Drawing / Model Classification*	Interpretation
1E5167A	Caterpillar	A model/drawing that is a Caterpillar owned design without explicit purchasing restrictions. Note: All non-purchased assemblies, groups, and arrangements shall use 1E5167A.
1E5167B	APPD SUP	Approved Supplier. A model/drawing of a Caterpillar owned design that is restricted to one or more suppliers and does not contain any supplier: confidential / non-public information nor copyrighted images.
1E5167C	APPD PART	Approved Part. A model/drawing of a supplier designed item which restricts the purchase of the item to one or more suppliers. The models/drawings of this type do not contain any supplier: confidential / non-public information nor copyrighted images.
1E5167D	SOURCE	A model/drawing of a supplier item which restricts the purchase of the item to a single supplier. These parts are supplier designed, and are typically custom designed and/or use proprietary information. The models/drawings of this type contain supplier confidential, non-public, or copyright information.
