SKIN TYPE

Dry, mature, environmentally damaged

PURPOSE

This advanced formulation contains the anti-aging benefits of three carefully prepared plant extracts that have a therapeutic effect on estrogen-deprived skin, helping to improve skin hydration and the appearance of wrinkles. Emollient squalane and ceramide 2 replenishes the skin's outer lipid layer, allowing the skin to be nourished and restored while you sleep.

BENEFITS

Increases cell matrix production, brightening properties

C12-15 Alkyl Benzoate, Tribehenin, Ceramide 2, PEG-10 Rapeseed Sterol, and Palmitoyl Oligopeptide

Attracts cells to sites that need repair, helps repair, reconstruct and strengthen the dermis. Known to reduce inflammation and is water-binding.

Adhering to areas of dry skin, this reduces water loss by forming a protective barrier, improves suppleness and smoothes the skin

Penetrating, hydrating, moisture-binding, reduces moisture loss, smoothes, anti-irritant, softens, regenerates

Helps to nourishing, revitalize, calm, purge

Emollient derived from olives; protects, rejuvenates and moisturizes

Encourages cell repair, helps reverse signs of erythema; essential fatty acid oil, rich in gamma-linoleic and gamma-linolenic acids; helps restore the moisture and lipid balance to dry skin.

Complex that improves hydration and moisture-levels; helps hydrate skin for up to 24 hours
