Re. Local Pickup Service

Dear Valued Customers,

This COVID19 pandemic has proven to be a challenging time, and we hope that as valued customers that you, your employees and business are doing well. We have seen many changes in the way that we all do business, and we thank you for your support during these challenging times.

We are happy to announce the restarting of our local pickup services at our GESCO facilities as of Monday June 1st.

To ensure the safety of you our customer, or employees and our supply chain, there will be some changes in the pickup process. Our hours of operation at all of our facilities will be from **8:00am to 3:00pm** local time, and we will be closed from **12:00-12:30pm** so that we can perform a thorough cleaning of the pickup area.

When you arrive for pickup, we ask that you follow these safety guidelines at all times:

- Ensure you remain socially distanced at all times (maintaining 6ft of distance)
- Wear a mask if you can
- Use the hand sanitizers provided
- Stand only in designated line up areas marked by footprints on the floor

Please note that all public washrooms are also closed, and that if your order is not ready we will ask for you to wait in your vehicle. Please note that at this time our Installer on the way texting service (IOWT) will be suspended temporarily.

If you have any questions, please do not hesitate to contact your sales representative.
