

Dual Cleansing Olive Oil

KEY PRODUCT ATTRIBUTES

- Paraben free
- Mineral oil free
- Instantly dissolves make-up and debris
- Balances skins natural oil production
- Rinses clean with water
- Maintains skin barrier function
- Prevents Trans-Epidermal Water Loss (TEWL)

KEY INGREDIENTS

Olea Europaea (Olive) Fruit Oil

Argania Spinosa (Argan) Kernel Oil

Joboba Seed Oil

Caprylic/Capric Triglyceride

Helianthus Annuus (Sunflower) Seed Oil

Citrus Aurantium Amara (Bitter Orange) Flower Oil

Tocopherol

INGREDIENTS

PRESENTATION

3.5 fl oz. C51935
8 fl oz C51908

SKIN TYPE

Most skin types.
Except severely acneic skin.

PURPOSE

This purifying cleansing oil promotes clarity by effectively drawing out makeup residue and impurities while conditioning the skin all in one step. Formulated with a blend of non-pore clogging olive fruit, argan and jojoba oils and a special plant emulsifier that helps it rinse-off completely with just water, leaving the face clean and soft.

BENEFITS

Derived from olives; an emollient that moisturizes and softens, high in fatty acids and polyphenolic antioxidants

Precious oil derived from the Argan Fruit is rich in poly-unsaturated fatty acids, and natural tocopherols that are nourishing, regenerating and protective. When applied to the skin, argan oil spreads easily and penetrates rapidly without giving an oily or shiny effect, leaving an extraordinary softness to the skin.

Closely identical to skin's own natural sebum, it forms a very thin, non-greasy lipid layer over the skin which is partially porous. This provides exceptional protection from trans-epidermal water loss and moisture control without blocking the pores.

Emollient ester derived from coconut oil and glycerin, rapidly absorbing, and is highly skin-compatible.

Light in texture, supremely adaptable and stable for delicate skin, it creates a skin smoothing after feel upon application.

Derived from the blossoms of the bitter orange tree. Any type of skin can benefit from this oil, although it is particularly good for dry, irritated or sensitive skin. It also regulates oiliness and minimizes enlarged pores.

Pure form of the lipid-soluble antioxidant vitamin E, it is proven to smooth skin and quell dryness by helping skin retain its natural moisture levels.

Olea Europaea (Olive) Fruit Oil, Caprylic/Capric Triglyceride, Sorbeth-30 Tetraoleate, Argania Spinosa Kernel Oil, Ascorbic Acid, Citrus Aurantium Amara (Bitter Orange) Flower Oil, Citrus Aurantium Amara (Bitter Orange) Peel Extract, Helianthus Annuus (Sunflower) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Tocopherol, Glycine Soja (Soybean) Oil, Carthamus Tinctorius (Safflower) Seed Oil, Chamomilla Recutita (Matricaria) Flower Extract, Cucumis Sativus (Cucumber) Fruit Extract, Lavandula Angustifolia (Lavender) Flower Extract

HOME USE

Warm up a small amount of cleansing oil with dry hands, then gently massage onto dry skin in a circular motion. Use a warm washcloth to open pores and gently exfoliate, then rinse off with tepid water. Tip: do not add water until ready to rinse off.
