SKIN TYPE

All skin types

PURPOSE

Designed as an emollient fluid for sensitive, dehydrated skin, lipid-soluble phytonadione (vitamin K) is present in this preparation. Squalane (derived from Mediterranean olives), along with a host of essential oils – basil, bergamot, grapefruit, lemongrass and vanilla – composes the base of this skin-loving liquid. The royal blue color is brought forth by guaiazulene. Use only a small drop at a time.

BENEFITS

Emollient derived from olives; protects, rejuvenates and moisturizes

Known for its ability to aid in capillary constriction

Derivative of tocopheryl; a stabilizer and emulsifier

A skin normalizer helping to balance the skin, a powerful anti-oxidant that increases skin elasticity, yielding younger-looking skin; an essential skin nutrient necessary for healthy skin maintenance and repair; moisturizes dry skin, reduces excess oil, smoothes and softens

Derived from chamomile; known to reduce inflammation, detoxifies
