Why Buy RSB150NX

CleanCare

Equipped with our new NX300 36V Battery Technology and 350W digital brushless motor, the RSB150NX is engineered to deliver our most powerful cordless cleaning yet.

Delivering up to 80 minutes of cordless freedom, a 40% increase in airflow and suction, and maximum user comfort, the RSB150NX provides optimum cleaning productivity with powerful and professional cleaning results.

Cordless Freedom
Market-leading 80 minutes of consistent and powerful cleaning performance.

Powerful Cleaning
40% increase in airflow and suction with new, high-performance 350W digital brushless motor.

One Fits All Productivity
The NX300 Pro Cordless Network brings the convenience and performance of professional cordless cleaning across our growing battery range.

Extended Long-Life Power
Made for the long haul, the NX300 Battery won't let you down, engineered and tested for commercial use delivering up to 2500 charge cycles. A 3-year battery warranty provides complete peace of mind for you and your Pro Cordless Network.

Safer Cleaning
With no cable, minimise the risk of slips, trips and falls. Ideal for day cleaning and public areas with high footfall.

Ultimate User Comfort
Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

Total Control
Integrated hand control and handy tool storage for quick access on the move.

The Pro Harness offers enhanced operator comfort, increasing cleaning efficiency, capability and productivity, without any uncomfortable distractions.
