THIS IS YOUR MARINE CATALOG

Thank you for trusting Steele Rubber Products with the protection of your marine vessel.

Here at Steele Rubber Products, we've been making quality crafted rubber parts and weatherstripping since 1958. We're a family run business now in its third generation and we continue to proudly manufacture in the United States!

Our goal is to provide you the best quality and fitting seals and weatherstripping available on the market. Learn more about us and everything we offer by visiting our website at steelerubber.com.

HOW TO USE THIS CATALOG

We've done a lot of research to make this catalog easy to use and it's designed to help you find what parts you need. Grouped into specific categories, each part is presented with a profile silhouette and exact dimensions to help you identify the correct shape and size, ensuring the best fit.

We are so determined in finding you the best solution, we even offer samples of our seals before you make the decision to buy. If at any time you need assistance, our team of Product Specialists are here to help.

Cabin & Compartment Door Seals

Steele Rubber Products offers a variety of seals for your cabin and compartment doors. These extruded seals feature either the weather resistant 3M Peel-N-Stick adhesive or push-on attachment designs to best accommodate your needs. Our high-quality EPDM rubber makes for a durable and secure fit between the door and frame that is easy to install.

Hatch Seals

Quality hatch seals are where it's at - without them, the interior of your boat is exposed to the elements and pests. Durable, fully enclosed edge trim protects your watercraft from damage and you from sharp edges while standing up to the elements like a champ.

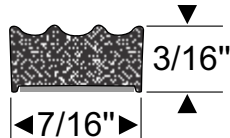

Our seals feature the attachment convenience of either the weather resistant 3M Peel-N-Stick adhesive or the simple push-on design. Constructed out of weather and UV resistant EPDM, you'll experience a winning combination of fit and function!

Dripper Guard

Available in Black or White

Dripper Guard prevents boat hull stains caused by boat thru-hull drains. It's perfect for any component on your boat that has a thru-hull fitting!

Ideal for preventing stains from air conditioner, sink, generator, shower, bilge pump, bait well, and sump pump thru-hulls.

Forget the boat hull cleaner and make your boat maintenance a breeze with Dripper Guard.

PLUGS

ROOF MOUNTED AC/HEAT PUMP GASKET

Unique high quality ONE-PIECE SPONGE EPDM replacement A/C, Heat-Pump Gasket. Fits most RV and marine A/C, heat-pump units including those made by Dometic and Coleman. One-piece design ensures no-leak functionality. Typically found on many houseboat brands. High-quality closed cell EPDM sponge rubber yields higher UV, ozone and weather resistant durability than what is originally supplied! Easy to use pressure sensitive adhesive backed.

STANDARD A/C GASKET KIT PART# 70-3905-307

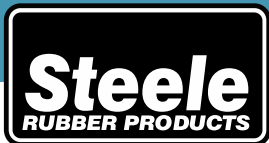

A/C GASKET PLENUM DIVIDER AVAILABLE SEPARATELY

PART# 70-4284-307

This one piece angled 1" x 1/1/2" inch Plenum Divider strip is made of the same top quality materials as our A/C Gasket Kit. Serves as a high-quality one-piece divider for those RV roof-mounted A/C and Heat Pump units that require a division piece.

Tools

Call or visit our website for current pricing

All Purpose Tool

High quality all purpose tool designed specifically to assist in the installation of window seal weatherstripping. 8" long, 4.875" blade and 2" hook.

94-0102-94

Glass Retainer Clip Tool

Reduces the risk of chips and scratches to glass windows caused by makeshift tools. This tool is specifically designed to fit trim clips move the studs and virtually eliminates glass breakage. It also dispenses with the need to remove rubber-like sealant surrounding the studs. A practical tool for placing trim retainer clips over headed studs welded around the body window shields.

94-0106-94

Trim Pad Removing Tool

Designed to pull out plastic trim fasteners. It reaches under the trim panel, supports and grips the plastic fastener and lifts it without damage to the fastener or to the trim pad backboard. This tool is made of heat treated high carbon steel and will work equally well on metal fasteners.

94-0107-94

Trim Pad Removal Tool

Removes reveal moldings on rubber-less jobs. 9.5" long.

94-0108-94

Plastic Tool

This tool makes replacing gaskets easier. A handy multi-purpose tool to have. 8" x 11/16"

94-0110-00

Safety Glasses

Reinforced plastic, clear lenses, and wraparound frame.

94-0109-94

Weatherstrip General Installation Kit

This Weatherstrip General Installation Kit has the items generally needed for the completion of a weatherstrip project. These kitted products are those chosen by the best professional builders and installation specialists in the restoration industry. We've put everything together in one simple and convenient kit.

KIT INCLUDES: 1 ea. 3M Weatherstrip Adhesive Black 96-8008-96
1 ea. Locktite Super Bonder 495 96-0495-96
1 ea. 3M Adhesive Cleaner 96-8987-96
1 ea. Scraper / Tuck Tool 94-0110-00
1 roll 1-1/2" Masking Tape 96-3431-96
3 pr. Nitrile Disposable Gloves
2 ea. Adhesive Applicator Sticks
1 ea. Steele Rubber Products Decal

90-3355-390

Loctite Super Bonder 495

General purpose instant adhesive designed to bond rubber, metal, and plastic parts. Excellent for modified gaskets or rubber footage made of dense or sponge rubber.

96-0495-396 (3 gm. Tube)

3M Super Weatherstrip Adhesive (Yellow) *

For adhering all types of rubber weatherstripping. Light colored adhesive. Very fast drying, exceptional bonding strength.

96-8001-96 (5 oz. Tube)

3M Super Weatherstrip Adhesive (Black) *

It is a strong, flexible, rubbery adhesive that withstands vibration and extreme temperature variations. Because of its black color, clean-up is eliminated due to its blending in with the rubber.

96-8008-96 (5 oz. Tube)

3M Weatherstrip Adhesive (Black) *

Good general purpose rubber cement. Has quick tack, will not bleed through fabric.

96-8011-96 (5 oz. Tube)

3M Plastic and Emblem Adhesive

An excellent clear adhesive for plastic repair and emblem application. Use this strong, quick-drying adhesive for plastic or metal emblems, interior rigid plastic, tail light lenses, vinyl side moldings or upholstery.

96-8061-96 (5 oz. Tube)

3M Rubberized Undercoating *

Professional Grade Rubberized Undercoating produces a textured finish which resists chipping, abrasion, exterior rusting and weathering. This coating provides one-coat build-up with no dripping, running or sagging. The undercoating is excellent for automotive undercarriages and for other uses including protection for wheel wells, fenders, quarter panels and more.

CANNOT BE SHIPPED VIA AIR

96-3584-96 (16 oz. Aerosol)

*State of California Only WARNING:

Products with an asterisk (*) can expose you to chemicals including toluene which is known to the State of California to cause cancer or birth defects or other reproductive harm.

For more information, visit www.P65Warnings.ca.gov

3M General Purpose Adhesive Cleaner - Spray *

Quickly cleans off wax, grease, oil, old adhesive, road tar, silicone, etc. Will not dissolve or mar paint that has been properly aged. Also suitable for use on vinyl or glass surfaces.

CANNOT BE SHIPPED VIA AIR

96-8987-96 (15 oz. Aerosol)

3M General Purpose Adhesive Cleaner - Liquid *

A specially blended solvent that provides easy cleanup of most types of adhesives and quickly removes waxes, road tars, grease, oil and similar materials. Will not harm thoroughly dried automotive paint, vinyl or fabrics when properly used.

CANNOT BE SHIPPED VIA AIR

96-8984-96 (Quart Can)

3M Urethane Adhesive *

Auto Glass Urethane Windshield Adhesive is a medium viscosity, one-part, moisture-curing urethane adhesive. It is formulated to be fast-curing and non-sagging for rapid results and a clean and simple application process. The features of this windshield adhesive produce high-strength material designed to bond and seal vehicle windshields, backlights and sidelights.

96-8693-96 (10.5 oz. Cartridge)

CUSTOMER SERVICE & PRODUCT ASSISTANCE

Steele provides quality service both before and after your purchase. To place orders, check order status, request a catalog or for any other inquiries, contact us Mon-Friday 8am-6pm Eastern Standard Time at 800-461-7089 (toll free) or 704-483-9343 (local). You can also contact us 24/7 at contact@steelerubber.com.

RETURN POLICY

In the event that you need to return any products, contact us directly Monday-Friday 8am-6pm at 800-461-7089 (toll free) or 704-483-9343 (local) and our Customer Service Representatives will provide you with a return merchandise authorization number (RMA) and instructions for returning any part(s) to us.

Note:

Parts are accepted for return only in the units purchased and with the original invoice. We cannot accept refund packages sent COD or any method for which there is a charge to us. If a part is altered or damaged in any way, we will not be able to accept it for return. We cannot accept returns of products not purchased directly from Steele Rubber Products. Shipping and handling charges are not refundable. To view our full return policy visit: steelerubber.com/returns

PARTS AVAILABILITY

New parts are constantly added to our inventory. Visit us online for current availability of all products.

DELIVERY OF PARTS

We cannot guarantee a continuous roll of any extrusion in this catalog when ordered in bulk. We will do our best to ensure that each strip is as long as possible to minimize scrappage for you. Therefore, we reserve the right to deliver your parts in multiple lengths to meet your total purchase requirements.

USE OF PARTS

These parts are not recommended for specific usage. We are not responsible for damages caused by incorrect installation, abuse, mishandling, accidents or normal wear. Nor will Steele be responsible for labor charges, inconveniences, or any other expenses associated with parts bought through resellers or Steele.

SATISFACTION GUARANTEE

We offer a 100% satisfaction guarantee on all parts manufactured by and purchased from Steele Rubber Products.
