Standardized Camellia Sinensis (Green Tea) Extract and Evening Primrose

Eyebright and Sea Lettuce Extracts

Sodium Hyaluronate

Ceratonium Siliqua Gum (Locust Bean)

INGREDIENTS

PRESENTATION

0.5oz E-56050

SKIN TYPE

All skin types

PURPOSE

Formulated to reduce the visible signs of aging around the eyes, this super-cooling and smoothing peptide-packed gel helps revitalize the delicate under-eye area. A unique blend of sea lettuce extract, locust bean and evening primrose extract instantly makes the under-eye area feel tighter and look firmer, while diminishing the appearance of under-eye bags and puffiness.

BENEFITS

Hesperidin Methyl Chalcone, Dipeptide-2, Palmitoyl Tetrapeptide-3
Helps reduce under eye bag volume by decreasing capillary permeability, improves lymphatic circulation (thereby helping to eliminate built up toxins) and improves firmness and elasticity

Provides delicate eye area with unparalleled phyto-extracts and antioxidants

Helps to remineralize the delicate skin around the eyes; anti-inflammatory and astringent properties

Humectant, regulating the level of hydration of skin; forms a moisturizing, non-occlusive layer of moisture on skin

Derived from the seed of the carob tree; humectant, moisturizer, smoothing, skin firming, lifting agent

Water (Aqua), Glycerin, Triethanolamine, Dipeptide-2, Hesperidin Methyl Chalcone, Palmitoyl Tetrapeptide-7, Anthemis Nobilis Flower Extract, Camellia Sinensis Leaf Extract, Cucumis Sativus (Cucumber) Fruit Extract, Euphrasia Officinalis Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Oenothera Biennis (Evening Primrose) Root Extract, Ulva Lactuca Extract, Sodium Hyaluronate, Sodium PCA, Ceratonia Siliqua Gum, Hydrolyzed Casein, Trehalose, Polyquaternium-51, Urea, Triacetin, Glyceryl Acrylate/Acrylic Acid Copolymer, Propylene Glycol, Carbomer, Steareth-20, Diazolidinyl Urea, Disodium EDTA, Iodopropynyl Butylcarbamate

HOME USE

After cleansing, apply eye gel to outer eye area working inward. Allow to dry completely. Use morning and evening for best results. Product may be stored in the refrigerator for an added cooling effect on the eye area.
