

Botanical Bio-Peptide Toner

DERMA DATA

KEY PRODUCT ATTRIBUTES

- Paraben-free
- Tones and balances hydration levels
- Boosts efficacy of skincare regimen
- Moisturizing, soothing and nourishing
- Prevents Trans-Epidermal Water Loss (TEWL)

KEY INGREDIENTS

Matrixyl 3000:
Palmitoyl Oligopeptide;
Palmitoyl Tetrapeptide-7

Sodium PCA

Day Moist CLR:
Water, Hydrolyzed Corn Starch,
Beta Vulgaris (Beet) Root Extract

D-Panthenol

Cucumber Extract

Grape Seed Extract

Green Tea Extract

INGREDIENTS

PRESENTATION

6.8 oz. T-30868
16 oz. T-30816

SKIN TYPE

All skin types.

PURPOSE

This high performance pH-balanced toner utilizes a blend of cell-communicating peptides combined with pro-vitamins and antioxidants to help boost the benefits of serums, masques and moisturizers. Beet root extract immediately starts raising the hydration levels within the skin, while sodium PCA and calming botanicals provide additional restorative moisture.

BENEFITS

Enhances cell communication between damaged areas of skin to help strengthen and increase water levels. Creates a synergistic effect in the neo-synthesis of collagen, significantly reducing the appearance of wrinkles.

Natural humectant draws moisture into the skin

Plant-derived active ingredient blend that immediately starts raising the hydration levels in the stratum corneum, making the skin smoother, more supple, and optimizing its barrier function.

Derivative of pro-vitamin B-5; natural moisturizing ingredient helps in maintaining skin's moisture

Calming, soothing and skin softening

Provides exceptional phyto-antioxidants.

Derived from the plant leaf; antioxidant protects from free-radical damage. Calms inflamed or damaged skin.

Water, Glycerin, Sodium PCA, Benzyl Alcohol, Polysorbate 20, Beta Vulgaris (Beet) Root Extract, Hydrolyzed Corn Starch, Butylene Glycol, Disodium EDTA, Panthenol, Dehydroacetic Acid, Sodium Hydroxide, Copper PCA, Carbomer, Lactic Acid, Aloe Barbadensis Leaf Juice, Cucumis Sativus (Cucumber) Fruit Extract, Vitis Vinifera (Grape) Seed Extract, Ascorbic Acid, Retinyl Palmitate, Tocopheryl Acetate, Camellia Sinensis Leaf Extract, Potassium Sorbate, Sodium Benzoate, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7

HOME USE

After cleansing, gently apply to entire face and neck using a cotton ball. Reapply throughout the day for an extra boost of hydration. Follow with application of Botanical Bio-Peptide Concentrate or Crème to achieve maximum results.
