

Instruction sheet

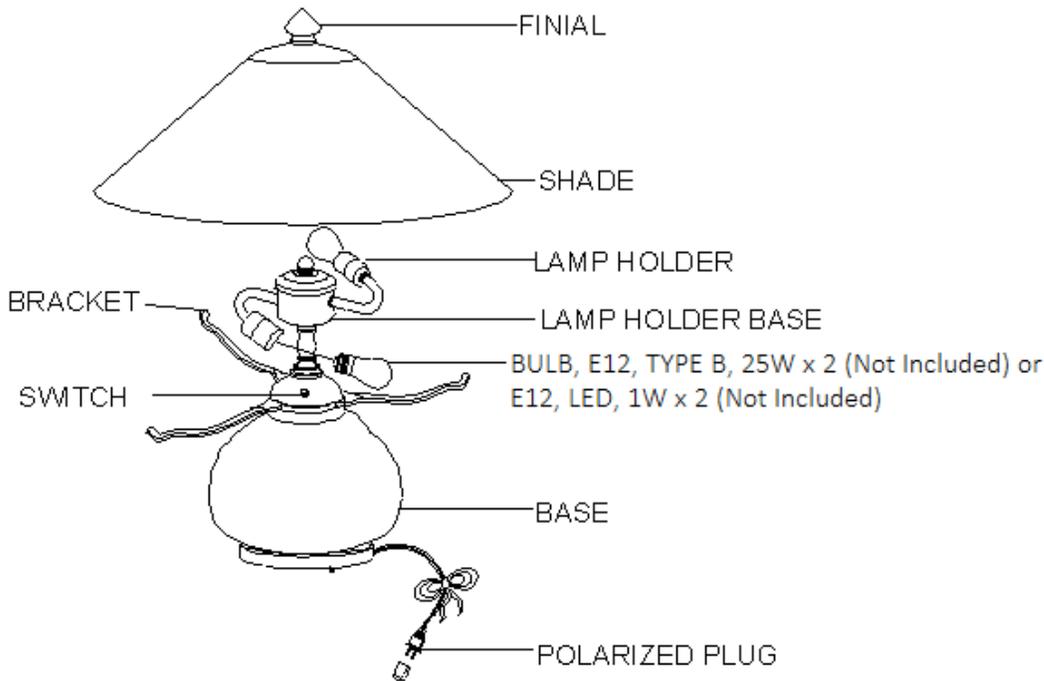

Note: This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft dry cloth to remove any excess oil.

1. Carefully lay out all parts in a line on a smooth surface.
2. Install bulbs (Not included)
3. Put the shade onto the bracket in right position.

CAUTION - Refer to the wattage caution label located near the lamp holder for recommended maximum wattage-do not exceed recommended wattage.

WARNING - Do not attempt to replace the bulb while the lamp is plugged into a wall receptacle.

4. Insert plug into wall receptacle.

Note: The above diagram illustrates the installation of your new luminaire. This is a representative drawing and is not intended to match the style of your luminaire.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.
