## PURPOSE

This facial tonic and treatment in one uses a unique complex of alpha hydroxy acids, botanicals and Dead Sea salts to lightly tone the skin. Containing witch hazel extract and aloe vera enhancing the toning benefits.

## BENEFITS

Refreshing, soothing, natural water-binding agent, antioxidant properties

Derived from bark and leaves; astringent, known to reduce inflammation, soothes, and heals

Improves tone and texture, potent antioxidant, exfoliates, brightens and revitalizes, can help speed production of collagen, non-irritating

A natural moisture binder that allows the skin to breathe and function naturally, an antioxidant, improves moisturization, softness and smoothness, provides modest photo protection, helps by slowing the aging process.

Derived from natural sugars; a form of alpha-hydroxy acid, helps to exfoliate dull skin cells.

Derived from fermented vegetables; exfoliates, refines and clears skin

Humectant, regulating the level of hydration of skin; forms a moisturizing, non-occlusive layer of moisture on skin

From the Dead Sea; purifying, re-mineralizing
