

CASALGRANDE EARTH

GLAZED PORCELAIN

by Pininfarina

tierra sol

The Earth series is the result of the close collaboration between Pininfarina and Casalgrande. The result is a range of products with a unique design, which sets itself apart from the various imitations of natural materials available on the market. Its originality lies in the great versatility of the system, which combines ceramic tiles with décors inspired by streamline cars.

Special instructions

- Shade variations between tiles is characteristic. Colour may vary from sample.
- For rectangular tiles, for both floor and wall, are not recommended to be installed using a 50/50 brick pattern. The only brick patterns acceptable are 40/60 or 30/70.
