

5283820

4-ounce perforated round nylon Spoodle® utensil in black

Control portions and improve serving efficiency with the nylon Spoodle utensil by Vollrath, which combines the design elements of a spoon and a ladle for convenient serving. The strong, one-piece nylon construction doesn't scratch or mar surfaces, is heat-resistant up to 475°F and features a smooth design that eliminates crevices that trap bacteria. The perforated design allows excess liquid to drain away, while the handle offers a comfortable ergonomic grip and features a stopper notch that prevents the utensil from sliding into your serving pans. This durable Spoodle utensil is ideal for nonstick cookware.
