4-quart aluminum measuring cup

The Vollrath® 4-quart aluminum measuring cup is a versatile, reliable tool. Made of impact-resistant aluminum, this durable measuring cup will meet the demands of your busy kitchen and look great in the process. The specially designed lip prevents spills, and the welded handle offers a comfortable, steady grip. Each embossed bar denotes one quart, helping you track your measuring and increase accuracy.

FEATURES & BENEFITS

- Impact-resistant 3004 aluminum construction is durable and lightweight
- 4-quart capacity fits large amounts of products
- Each embossed bar denotes one quart for accurate measuring and improved accuracy
- NSF-certified
- Made in the USA
- Designed to easily measure and pour a wide range of liquid products
