

PRODUCT SPECIFICATION

Cook's Brand Copolymer Spoon

features

Models: 630-230CP

The correctional flatware features an extra thick handle design to stand up to the toughest inmates and it also has a radius handle to provide comfortable use. Unique to Cook's the flatware is made from a proprietary blend of stain resistant copolymer plastic. The flatware is designed to be incredibly strong and will provide years of use in the toughest correctional facilities.

Cook's Brand

Products designed for the toughest environments

STANDARD FEATURES

DURABLE: Proprietary blends of copolymer resists food stains for a longer wearing appearance. The increased radius of the handle edges makes this spoon comfortable to use and sturdy enough to stand up to inmates.

WITHSTANDS EXTREME TEMPERATURES: Temperature rating of -40 to 248 F, allowing you to use in hot or cold trays. Additionally, this item is rated microwave safe.

WARRANTY: The copolymer spoon is backed up by a one year warranty against manufacturing defects.

COLORS: Available in three colors, tan, brown and orange. Custom colors available for large orders.
