VP300 & VP400

A new formula for simplicity

NILFISK

Manufacturer PDF Provided by www.southeasternequipment.net

Simply switch on simplicity

Mix simple with powerful and add convenience–and there you have it: an improved formula for clean. Second-to-none engineering disguised as simplicity itself!

Our range of compact dry canister vacuums is engineered for superior performance yet is simple to operate, getting the job done faster, comfortably, and efficiently. Simply switch on simplicity – just by using your foot.

This range helps you resolve any pain points you may have working in contract cleaning, education and institutions, hospitality, retail, offices, and healthcare.

Intuitive controls and simple bag replacements make use and maintenance hassle-free and reduce downtime.

Engineered for superior performance with best-in-class filling capacity, allowing for more cleaning time.

A foot-reachable power switch and seamless cord management make starting and transitioning to other areas easy.

The ergonomic touchpoints and lightweight design reduce strain – the compactness is well-suited for crowded places.

Nilfisk VP300 and VP400 – improved success

With its vibrant next-generation design, our Nilfisk VP300 and VP400 now have improved ergonomics on the handle, lock, and bent-end, reducing strain, best-in-class filling capacity, and easy cord management. Simply elevating the user experience ensures powerful productivity.

Top features include:

- Colored touchpoints guide the user where to interact with the machine making it easy to use
- Tool-free maintenance makes it easy to access bags and filters
- Foot-reachable power switch
- Enhanced cord management – VP300 offers upgraded cord storage while the VP400 has a high quality cord rewind system
- Quiet operation expands cleaning hours without disruption

	VP300	VP400
High net filling	✓	✓
Low operator strain	✓	✓
Great for tight area cleaning	✓	✓
Upgraded cable rewind		✓
Foldable handle		✓
Additional ergonomic touchpoints		✓

Sound comparison level

Airplane	156 dB(A)
Hair Dryer	80 dB(A)
Conversation	76 dB(A)
VP300/400	**56 dB(A)**
Birds chirping	46 dB(A)
