Project

Entrance Sign Illumination

Product and Location

Solera Solar Lighting Off-Grid Flood Light RP-SFL (comparable to 150W HID)

Smartech Electrical Inc., Electrical Contractor
Chestertown, Maryland

Situation

Smartech Electrical's entrance sign needed to be illuminated at night. The expense to trench and run wire under a concrete pad parking lot was cost prohibitive.

Solution

Solera Solar Lighting Off-Grid Flood Light eliminates the need for trenching and wiring. Its long-lasting battery powers the bright light Smartech needs for its entrance sign.

Results

Smartech Electrical has a well-lit sign and satisfied owners.

"The light output is much more than we ever expected."

– Victor Shepard,
CEO Smartech Electrical Inc.

"This flood light was the perfect solution to illuminate Smartech's signage, when running power to the area was not an option."

– Brian Pylant,
Counter Manager Capital Electric Supply

Distributor

Capital Electric
Upper Marlboro, Maryland
