Flower Extract

INGREDIENTS

PRESENTATION

1 fl. oz. – E-62301

SKIN TYPE

All skin types

PURPOSE

Vitamin A promotes cellular renewal and speeds up exfoliation, revealing younger, plumper skin cells. This oil-free complex absorbs deeply into the skin to help diminish the appearance of lines and wrinkles caused by the sun and aging. It provides healing nutrients and is excellent for problematic skin. Leaves your skin feeling soft, smooth and supple. This process of cell renewal and exfoliation helps to reduce the appearance of fine lines, wrinkles and skin irregularities.

BENEFITS

A skin normalizer helping to balance the skin, a powerful anti-oxidant that increases skin elasticity and removes dead skin cells, yielding younger-looking skin; an essential skin nutrient necessary for healthy skin maintenance and repair; moisturizes dry skin, reduces excess oil, smooths and softens

A natural moisture binder that allows the skin to breathe and function naturally, an antioxidant, improves moisturization, softness and smoothness, provides modest photo protection, helps by slowing the aging process.

Derived from the karite fruit on the African mangifolia tree; heals, soothes, protects, potent moisturizer & emollient, known to reduce inflammation, anti-aging effects.

Active ingredient in chamomile flowers; soothing, conditioning, known to reduce inflammation and regenerating

Derived from chamomile; known to reduce inflammation, detoxifies
