

# Peptide + Stem Cell Collagen Blanket

DERMA DATA

## KEY PRODUCT ATTRIBUTES

- Stimulates biological regeneration
- Restores skin and tissue functionality
- Reduces moisture loss
- Hydrating and moisture binding
- Reduces redness and irritation
- Smooths fine lines and wrinkles
- Paraben free
- Fragrance free

## PRESENTATION

Collagen Blanket S-53100

## SKIN TYPE

All skin types

## PURPOSE

Skin-identical, native collagen combines with active ingredients to stimulate regeneration and repair. Smart delivery system enables in-depth penetration of ingredients upon activation, providing anti-irritative efficacy, with a boost in hydration and long lasting, skin-smoothing results. Safe for use on rosacea, acne prone, or post-treatment skin.

## KEY INGREDIENTS

Collagen Fibers

## BENEFITS

Transfers moisture into skin, strengthens and ensures skin tolerance, acts as second skin

Collagen Peptides

Skin-identical, signals cell regeneration and repair, supports cell metabolism and tissue renewal

Collagen Molecules

Infuses skin with moisture, smooths lines and wrinkles

Malus Domestica (Apple) Stem Cells

Activates and protects skin cells, stimulates skin vitality, delays natural aging process

Biacalin

Regulates cell division, protects and restores cell degeneration, prevents premature aging

Resveratrol

Antioxidant, protects cells from free radicals, encourages healthy cell growth, slows aging process

## INGREDIENTS

Collagen, PPG-15 Ether, Hydrogenated Polyisobutene, Propylmrr Glycol, PEG-40 Sorbitan Peroleate, Resveratrol, Malus Domestica Fruit Cell Culture Extract, Biacalin, Glycerin, Lecithin, Di-C12-13 Alkyl Malate, Xanthan Gum, BHT, Phenoxyethanol, CI 75470 (Carmine), CI 77510 (Ferric Ammonium Ferrocyanide)

## PROFESSIONAL USE ONLY

1. After cleansing, position Peptide + Stem Cell Collagen Blanket onto face, modifying the shape as needed for targeted treatment area.
2. With a water-based toner or ampoule, activate the mask using a pipette, brush, or sponge, hitting each zone step by step, starting from the forehead, and working downwards
3. For optimal skin contact, gently smooth out air bubbles and wrinkles, ensuring the entire mask is hydrated.
4. Leave on for 15-20 minutes
5. Slowly roll from chin to forehead to remove.
