A ride-on sweeper that keeps it simple

Sweeping large areas is tough. But the Viper ROS1300 is a ride-on sweeper that's designed to keep you productive from start to finish. Cover the ground you need to with long battery runtime and see great cleaning results from optimal dust and debris collection. Operation could not be simpler, and maintenance is a breeze.

Take a seat, adjust it to your personal preference and press the one touch start button to get straight to work. This conveniently starts all the main functions – main broom, side brooms, vacuum fan – all at once.

As you're sweeping several standout functions contribute to your productivity. Dust isn't a problem – simply switch on the dust-control misting system to assist the two side brooms. A convenient foot- operated front flap enables collection of larger debris, and powerful rear-wheel drive keeps you sweeping up slopes – great for cleaning ramps and inclines within your facility. Furthermore, smart, tool-free maintenance means your operator won't be burdened by time consuming routine tasks. Built for all-round safety, the ROS1300 maintains productivity while ensuring a safer working environment for everyone.

- **Maintain high productivity** whatever your application with optimal dust and debris collection and powerful rear-wheel drive – even up slopes
- **More sweeping, less dumping** with high capacity 130L hopper on wheels and optional three mini containers for convenient debris dump
- **Optimized for operators comfort,** with cup holder, USB port, built-in device storage and water level indicator for dust control misting system
- **Safety-centric design** with manual brake, dual parking brakes, warning beacon, front LED light, speed-reduction during turns and ergonomic adjustable seat

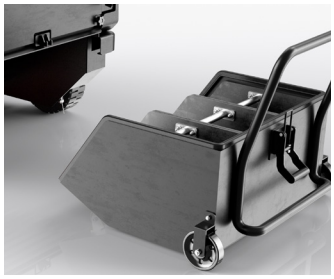

Technical specifications

Description	ROS1300
Voltage	24 V
Rated Power	2640W/3.6 HP
Productivity 2 side brooms theoretical/ practical (m^2/h)	8100/5670 m^2/h 87187/61031ft^2/h
Maximum forward speed	8 km/h /5 Miles per hour
Hopper capacity	130L/34.3 Gal.
Gradeability (working mode) Max.	16%
Min. turn-around aisle width	2550 mm/100.4 Inch.
Cleaning width (without side brooms)	700 mm /27.6 Inch.
Cleaning width (with two side brooms)	1350 mm /53.1 Inch.
Length x Width x Height (mm)	1680x1055x1300 / 96.1x41.5x51.2 Inch.
Gross vehicle weight (GVW)	688 kg/1516.78Lbs.
Reference	50000605 / US 50000606

One touch start activates all main functions

Wheeled hopper with optional mini containers
