Dissolve is a powerful, professional grade descaler that fights and removes water scale and lime build-up from steamers and boilers.

- Keeps steamers and steam cooking equipment operating at peak performance
- Penetrates and quickly removes mineral deposits and lime scale
- Concentrated formula delivers powerful cleaning with efficient use cost
- **Competitive brands use 8X as much chemical for the same result**

Also available in 16 fl oz and 5 gallon sizes to fit every kitchen, from a single steamer to a full line of equipment.

CASE: 6 x 1 gal (3.78 L)
