## INGREDIENTS

## PRESENTATION

32 fl oz K-48832  
1 gal K-48828

## SKIN TYPE

All skin types

## PURPOSE

A fragrance-free plant oil based lotion that restores moisture levels and is a perfect massage medium for both the body and face. Specially formulated to absorb into the skin without a greasy feeling, this unique lotion offers immeasurable massage movement and glide. Natural humectants combined with vegetable-based emollients and sunflower oil leave the skin feeling soft, smooth and firm.

## BENEFITS

Derived from the fruit; rich in fatty acids, anti-microbial, softens, moisturizes and protects

Derived from the seeds; contains large amounts of vitamin E, softens, protects and binds moisture

This soothing, penetrating, oil is rich in vitamins A, B1, B2, B5, D and E, minerals, protein, lecithin and fatty acids comprised mostly of oleic, linoleic and linoleic acids, as well as palmitic and palmitoleic acids, lecithin, phytosterol and carotenoids

Refreshing, soothing, natural water-binding agent, antioxidant properties

A natural moisture binder that allows the skin to breathe and function naturally, an antioxidant, improves moisturization, softness and smoothness, provides modest photo protection, helps by slowing the aging process.

Derived from comfrey root; promotes healing, protects, softens and conditions, known to reduce inflammation
