

PRODUCT SPECIFICATION

Cook’s Brand Globe Whips

features

The innovative Globe Whip is made to withstand the most rigorous use in the harshest of environments. The robust new style whip head is constructed of stainless steel tubing with extra heavy duty whip wires that run from the tubing through the handle and into the tubing on the other side. With this new design, you won’t have inmates breaking the whip wires for the longest lasting kettle whip in the industry.

Cook’s Brand

Products designed for the toughest environments

STANDARD FEATURES

- SUPERIOR DURABILITY:** Long lasting all-welded 304 stainless steel construction. Whip head is made with ½” diameter exterior tube and ¼” diameter whip wires that penetrate the handle and the exterior tube for unbeatable durability, smooth welds on the outside to ensure a permanent and safe bond.
- INNOVATIVE DESIGN:** Measuring of ingredients is simplified by using the markings, placed at 1” intervals, permanently etched on the handle.
- EASY TO USE:** Oar style handle enables a firm grip improving usability of this whip with stiff or heavy foods.
- THREE SIZES:** Globe Whips are offered in three sizes 60”L , 48”L and 36”L.
- WARRANTY:** The Globe Whips are backed up by and one year no questions asked warranty.
