CRystal Clear™ Quartz sleeves & tubing

About Our Huge Stocking Inventory

Our CRYSTAL CLEAR™ Quartz Sleeves can be used as equivalent replacement sleeves for over 250 equipment brands and 5,000 models of ultraviolet equipment besides Atlantic Ultraviolet’s Air and Water Purifiers. We have compiled an extensive cross-reference to assist customers in obtaining exactly what is needed to replace in an existing ultraviolet system.

Inside Diameter | Outside Diameter | Wall Thickness
--- | --- | ---
18.0 mm | 20.5 mm | 1.25 mm
20.0 mm | 22.0 mm | 1.00 mm
20.0 mm | 23.0 mm | 1.50 mm
22.0 mm | 24.5 mm | 1.25 mm
22.0 mm | 25.0 mm | 1.50 mm
30.0 mm | 33.0 mm | 1.50 mm
35.0 mm | 38.0 mm | 1.50 mm
45.0 mm | 48.0 mm | 1.50 mm

Your Source for Germicidal UV-C Lamps

Your Source for Quartz Sleeves & Tubing
Most Lamps Offered Are

produces CRYSTAL CLEAR (185 nanometer). Atlantic Ultraviolet Corporation (254 nanometer) or ozone producing type. Most lamps are available in either low ozone and in water.

in both standard and custom sizes.

Most lamps are available in either low ozone (254 nanometer) or ozone producing type (185 nanometer). Atlantic Ultraviolet Corporation produces STER-L-RAY® Germicidal Ultraviolet lamps in the USA.

Our Ultraviolet Application Specialists can help cross reference the lamp or lamps you need. With our large inventories, you can buy USA made lamps (preferably our STER-L-RAY® brand). There are many germicidal ultraviolet lamps offered online that are manufactured offshore and inferior to the quality of our STER-L-RAY® brand of lamps produced in the USA. Offshore lamps that we have tested and continue to test have shown lower and less consistent UV output and shorter life than our STER-L-RAY® brand of UV lamps. We recommend that you buy USA made lamps (preferably our STER-L-RAY® brand).
