HDS VHP SERIES

For dirt and grime indoors and out.

Looking for a heavy-duty pressure washer that can handle the dirt and grime indoors and out? Then the versatile HDS VHP is the right machine for the task. Available in both 120V and 230V configurations, this hot water pressure washer features cleaning power up to 2.5 GPM and 2000 PSI. And, since the HDS VHP is built with tubed pneumatic tires, this heavy-duty series delivers power wherever the job takes you. It is designed for vapor type propane only.

1 Powerful and durable

- Extra-durable heating coil is made of leak-free, cold-rolled steel pipe and features a 5-year warranty
- A rugged 10 gauge steel chassis with polyester powder coat finish
- Belt-driven Kärcher pump with a 7-year warranty

2 Mobility

- Four tubed pneumatic tires provide excellent maneuverability
- Rack for 10 gallon tank

3 EASY!Force trigger gun

- EASY!Force gun with cruise control like technology - uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use
