INGREDIENTS

PRESENTATION

2 oz M-16602-01
9 oz M-16609

SKIN TYPE

Highly sensitive, reactive, post-microdermabrasion, post-surgical

PURPOSE

Introduce moisture to dehydrated, sensitive or irritated skin with this calming and soothing masque. Echinacea, zinc PCA and vitamin K quickly help reduce the appearance of redness and other signs of irritation while bringing sensitive skin into a healthy balance.

BENEFITS

Refreshing, soothing, natural water-binding agent, antioxidant properties

Derived from the dried flowers of golden marigolds, helps soothe inflammation, softens, and heals

Derived from Roman chamomile flowers; natural, known to reduce inflammation, soothes and calms

Derived from the leaf; detoxifying, healing and immune stimulant

Known to reduce inflammation, brightening and clarifying

Known for its ability to aid in capillary constriction

Derived from rice husks; deeply moisturizes, regenerative

Derived from comfrey root; promotes healing, protects, softens and conditions, known to reduce inflammation

Mineral that provides an effective moisture barrier to protect sensitive skin, soothing, and sun protectant
