

# McGuire's HD Finish Grid Drain

## Durable Finish That Lasts Longer

- Maintain their luster and shine longer than conventional metal-plated finishes
- Help reduce replacement costs
- McGuire commercial quality you can trust

Our heavy duty durable finish grid drains and offset lavatory strainers provide protection against abrasive chemicals, cleaners and cleaning supplies most often used in public bathrooms. A conventional fixture drain will lose their finish resulting in expensive replacement costs down the road. Choose Classic McGuire's HDI55A, HDI55A2 or HDI55WC grid drains for long-lasting luster.
