

TREATMENT TIME: 50 MINUTES

SUGGESTED SERVICE PRICE RANGE: \$70-\$90

For most skin types, except extremely sensitive/ reactive skin. This facial treatment will benefit dry, dull, devitalized skin.

TREATMENT DESCRIPTION

An excellent treatment for dull, devitalized, or congested skin, as it improves micro circulation and cell regeneration. The combination of multiple forms of natural enzymes, gently, removing dead skin, revealing fresh new skin cells that give your skin a healthy glow, while enhancing the skin's natural ability to regenerate. It is especially ideal for people who live in urban environments with elevated pollution levels. Repetition of this process will reveal brighter, clearer and more evenly toned skin.

PRODUCTS

- Facial Cleansing Gelée
- Glycolic Cleanser
- Glycolic Toner
- Azulene Toner
- Marine Eye Pads
- Pumpkin Exfoliating Masque
- Hyaluronic Acid Ampoule
- Amino-Lift Peptide Complex
- Herbal Nova Crème
- Eye + Throat Bio-Moist
- Daily Mineral Guard SPF 25
- Lip Treatment

CLIENT PREPARATION Client must remove contact lenses. Protect hair with cap. Check comfort level and place bolster under knees.

CLEANSING 1. Using dampened cotton pads, remove eye make up with the Facial Cleansing Gelée. Use Q-tips to remove excess mascara under the eye area. Rinse eye area well using cotton pads soaked in distilled water. 2. Apply Glycolic Cleanser to pre-moistened face, neck and décolleté. Gently cleansing with fingertips. Rinse thoroughly with tepid water. 3. Swipe cotton pads soaked with Glycolic Toner over face and neck.

ANALYSIS Examine skin with a Wood's Lamp (optional) or magnifying lamp to determine skin condition.

EXFOLIATION MASQUE 1. Apply Marine Eye Pads moistened with water and Azulene Toner. 2. Apply a layer of Pumpkin Exfoliating Masque all over face and neck area, allow to set for 5 to 10 minutes. Avoid eye area. OPTIONAL: Do hand and arm massage during this time. 3. Dampen hands with water, using gentle upward circular motion massage masque over face and neck for 2-3 minutes. 4. To remove, place cotton pads over eyes, and sponge off masque with warm water-soaked sponges. Rinse thoroughly with tepid water dampened 4x4 cotton pads.

EXTRACTIONS (optional) 1. Proceed with light extractions. Do not force. 2. Rinse skin with distilled water. OPTIONAL: Use high frequency violet mushroom electrode 3-5 minutes for a germicidal effect.

REJUVENATE & MASSAGE 1. Apply Glycolic Toner to face and neck with cotton pads 2. Perform a light massage using Hyaluronic Acid Ampoule. Do not over-stimulate. 3. Into targeted areas of concern, apply Amino-Lift Peptide Complex and lightly pat into skin until absorbed. 4. Apply Herbal Nova Crème to face, neck, and décolleté. Gently massage into skin until absorbed.

COMPLETION 1. Apply Eye & Throat Bio-Moist. Push and pat under the eye area paying special attention to fine lines around the outer orbital bone area. Allow to penetrate. 2. Finish with application of Daily Mineral Guard SPF 25. OPTIONAL: Apply Lip Treatment over entire lip area.

RECOMMENDED CLIENT HOME CARE Avoid sun exposure. Avoid applying makeup for 4-5 hours. Daily use of an SPF of 15 or higher is necessary. Recommended retail home care should include: Glycolic Cleanser, Glycolic Toner, Pumpkin Exfoliating Masque, Hydra Gel, Amino-Lift Peptide Complex, Herbal Nova Crème, Eye & Throat Bio-Moist, Daily Mineral Guard SPF 25

TREATMENT TIME: 60 minutes

SUGGESTED SERVICE PRICE RANGE: \$85-120

For most skin types. This facial treatment will benefit devitalized, sun-damaged skin with pigmented areas.

TREATMENT DESCRIPTION

This skin-refining facial treatment utilizes breakthrough phyto-peptide technology to help diminish the appearance of fine lines and wrinkles. After skin is thoroughly cleansed, a unique crème based pumpkin enzyme masque is applied to re-texture and smooth the surface of the skin. This natural skin lifting treatment helps to reduce fine lines and wrinkles by nourishing and refining the skin. The result is a visibly radiant and youthful complexion.

PRODUCTS

- Eye Makeup Remover
- Botanical Bio-Peptide Concentrate
- EyeBright Anti-Puffiness Gelée
- Fresh Facial Bath
- Amino-Lift Peptide Complex
- Daily Mineral Guard SPF 25
- Face Refresher
- Peptide Powder Peel
- Lip Treatment
- Marine Eye Pads
- Peptide Activator
- Botanical Bio-Peptide Crème
- Azulene Toner

CLIENT PREPARATION

Have client remove all jewelry and contact lenses. Protect hair with cap.

CLEANSING

1. Using dampened cotton pads, remove eye make up with the **Dual-Phase Eye Make Up Remover**. Use Q-tips to remove excess mascara under the eye area.
2. Rinse eye area well using cotton pads soaked in distilled water.
3. Apply **Fresh Facial Bath** to pre-moistened face, neck and décolleté. Gently cleansing with fingertips. Rinse thoroughly with tepid water.
4. Swipe **Face Refresher** over face and neck.

ANALYSIS

Examine skin with a Wood's Lamp (optional) or magnifying lamp to determine skin condition.

EXFOLIATION MASQUE

1. Apply **Marine Eye Pads** moistened with water and **Azulene Toner**.
2. Apply a layer of **Pumpkin Exfoliating Masque** all over face and neck area, allow to set for 3 to 5 minutes. Avoid eye area.
OPTIONAL: Do hand and arm massage during this time.
3. Dampen hands with water, using gentle upward circular motion massage masque over face and neck for 2-3 minutes.
4. To remove, place cotton pads over eyes, and sponge off masque with warm water-soaked sponges. Rinse thoroughly with tepid water dampened 4x4 cotton pads.

EXTRACTIONS (optional)

1. Proceed with light extractions. Do not force.
2. Rinse skin with distilled water.
OPTIONAL: Use high frequency violet mushroom electrode 3-5 minutes for a germicidal effect.

HYDRATE & MASSAGE

1. Perform a light massage using 4-6 pumps of **Botanical Bio-Peptide Concentrate**. Do not over-stimulate.
2. Into targeted areas of concern, apply **Amino-Lift Peptide Complex** and lightly massage until absorbed.

PEPTIDE PEEL MASQUE

1. Combine 30g/1oz of **Peptide Powder Peel** with 90ml/3oz of the **Peptide Activator** (20°C - 70°F) in a rubber or glass bowl. **DO NOT USE BRUSH TO MIX**. Using a spatula, stir quickly and vigorously for one minute to get a homogeneous paste.
NOTE: Pour all of the Peptide Activator at once on the powder. **Important:** Peptide Activator must be used at room temperature 70° F –AVOID high humidity or the peel with not set-up properly on the skin.
2. Using spatula, apply peel quickly over entire face and neck ensuring edges of peel are well defined in “even thickness” (eyes may be covered directly by peel or simply covered with cotton pads moistened with **Azulene Toner**).
3. Allow to solidify and remain for 15 to 20 minutes (As the actives begin to penetrate in the first 5 to 10 minutes, the next phase produces a cooling sensation - vaso-constricting stage). *Continued next page ►*

(continued)
PEPTIDE PEEL MASQUE

4. Remove peel by lifting edges all around. Remove in one piece from neck upwards to forehead by lifting. Wipe away excess dried particles with moist sponge pads or gauze.

COMPLETION

Apply **EyeBright Anti-Puffiness Gelee** push and pat under the eye area paying special attention to fine lines around the outer orbital bone area. Allow to penetrate. Apply **Botanical Bio-Peptide Intensive Crème** to entire face and neck. Apply **Daily Mineral Guard SPF 25** to entire face and neck.
OPTIONAL: Apply **Lip Treatment** over entire lip area.

RECOMMENDED CLIENT HOME CARE

Avoid sun exposure. Avoid applying makeup for 4-5 hours. Daily use of an SPF of 15 or higher is necessary.
