Centaurea Cyanus (Cornflower) Flower Extract

Chamomilla Recutita (Matricaria) Extract

Triticum Vulgare (Wheat) Germ Oil

INGREDIENTS

PRESENTATION

2 oz E-0202
9 oz E-0209

SKIN TYPE

Dehydrated, sensitive

PURPOSE

An emollient complex with wheat protein, wheat germ, vegetal oils, and botanical extracts, including grape, arnica, witch hazel, chamomile, and calendula, which provide hydration, soften and improve the texture of taut, damaged skin.

BENEFITS

Derived from rice bran; emollient, helps protect against moisture loss, soothing, protects, absorbant, gentle exfoliant

Derived from the grape; nutrient rich emollient, antioxidant, rich in phenols, protects against damaging free radicals, anti-aging

Derived from herb; calms, tones, and heals

Derived from arnica flowers; calms skin inflammations, promotes circulation

Derived from bark and leaves; astringent, known to reduce inflammation, soothes, and heals

Astringent and anti-inflammatory properties; used to affect the circulatory system where it seems to increase the strength and tone of veins

A natural diuretic and cleansing extract well known for its skin firming and tightening actions, and anti-irritant properties

Derived from the dried flowers of golden marigolds, helps soothe inflammation, softens, and heals

Derived from Roman chamomile flowers; natural, known to reduce inflammation, soothes and calms

Derived from linden flowers; calming, soothing, relaxing, protects skin

The extract obtained from the flowers of the plant can be used as an anti-inflammatory; tones, heals, softens, desensitizes

Derived from the German chamomile flower; soothing, known to reduce inflammation and regenerating

Derived from wheat kernel; rich source of vitamin E, softens and smoothes
