

PRODUCT SPECIFICATION

# Cook's Brand Copolymer Spork

## features

Models: 630-200CP

The copolymer spork features an extra thick handle design to stand up to the toughest inmates. Unique to Cook's, the flatware is made from a proprietary blended stain resistant copolymer plastic. The flatware is designed to be incredibly strong and will provide years of use in even the toughest correctional facilities.

### Cook's Brand

Products designed for the toughest environments

#### STANDARD FEATURES

**DURABLE:** Proprietary blends of copolymer resists food stains for a longer wearing appearance. The increased radius of the handle edges makes this spork comfortable to use and sturdy enough to stand up to inmates.

**WITHSTANDS EXTREME TEMPERATURES:** Temperature rating of -40 to 248 F, allowing you to use in hot or cold trays. Additionally, this item is rated microwave and dishwasher safe.

**WARRANTY:** The copolymer spork is backed up by a one year warranty against manufacturing defects.

**COLORS:** Available in three colors, tan, brown and orange. Custom colors available for large orders.
