This is a supplementary return policy applicable to Go To Parts (“GTP”). For the complete Product Return Policy please see the Wastequip Terms and Conditions of Sale (“T&C”) at: www.wastequip.com/terms-conditions-of-sale, a hardcopy of which is available upon request. If there is a conflict between this policy and the Product Return Policy contained in the T&Cs, this policy shall control. This policy may be updated from time-to-time by GTP without notice to Buyer. If any parts (“Parts”) delivered to Buyer are defective or are otherwise not in accordance with the GTP Order Confirmation, GTP shall have the right, in its sole discretion, either to replace such Parts or to refund the portion of the purchase price applicable thereto.

RETURN PERIOD: All returns are subject to a 60-day return period from date of original Invoice. GTP will not accept any non-warranty claims or returns beyond this 60-day period (except as pre-approved in writing by GTP in GTP’s sole discretion), and the returned Parts must be received at the return address specified by GTP. For example, if the date of original Invoice is January 1st, **BOTH** your RMA request **AND** GTP’s receipt of the returned parts at the address specified by GTP must be completed no later than February 29th. Unless pre-approved by GTP in writing, any returns received by GTP after the 60-day return period (regardless of RMA issuance) or at a different address than that specified by GTP will be deemed not in compliance with the 60-day return period and no replacements or refunds will be issued.

REQUESTING AN RMA: If you have a return request, please call [1-800-GOTOPARTS](tel:1-800-GOTOPARTS) or email: customerservice@gotoparts.com to request a Return Authorization Number (“RMA”). An RMA must be obtained from GTP before any Parts may be returned.

Any Parts not in compliance with these instructions will be subject to rejection or a restocking fee of 15% of the applicable purchase price (“Restocking Fee”) at GTP’s discretion.

NON-CONFORMING ORDER: If you receive Parts that are non-conforming to your Order, provided the Return Period, RMA and Return Condition requirements have been met, GTP will not charge a Restocking Fee.
