JARVIS SERIES

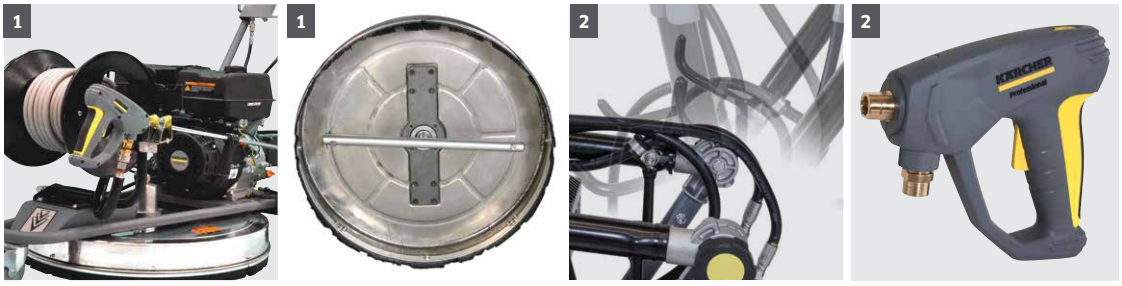

Jarvis 28" SCW 4.0/40 G (L) with Jarvis 21" SCW 2.4/25 G (Center) and SCW 2.4/25 CL (R)

Quick and easy outdoor cleaning solution.

The Jarvis series is a complete solution for quick, streak-free cleaning of businesses' entrances, parking lots, tennis courts, pool decks and sidewalks. This easy to use cold water surface cleaner pressure washer is an all-in-one unit with the pump and engine attached to the surface cleaner.

Designed to attack the superficial dirt sweeping alone does not get. The Jarvis surface cleaner pressure washer is perfect for all operators - simple on / off operation and flat free tires. Choose between the Jarvis with a folding handle for easy transport and storage or a conveniently mounted hose reel with 50' of non-marking hose to have a more flexible and wider cleaning radius. Either way productivity is in your corner.

1 Powerful and durable

- 21" or 28" cleaning width
- Corrosion-resistant stainless steel surface cleaner housing and a professional grade swivel design for extended, effortless use
- Solid, powerful engines on each model with the Kärcher engine's 4-year warranty or the Honda GX engine's 3-year warranty
- Professional-grade, direct-drive pump backed by a 7-year warranty
- Flat free tires for effortless and reliable use
- Hose reel with 50' of included non-marking hose (SCW-4.0/40 G model only)

2 Smart features

- Conveniently located wand holder
- Folding handle for easy storage and transport (SCW 2.4/25 G & SCW 2.4/25 CL models only)
- Simply on/off operation
- Thick and stiff bristle brush skirt to help keep debris out of the cleaning path, preventing nuisance over-spray and helping reduce the noise level
- EASY!Force gun with cruise control like technology – uses its own recoil force to hold the trigger down – so, no more sore hands after hours of use
