FEATURES:

- These inks are RoHS/CONEG compliant, Sara Compliant, contain no hazardous air pollutants (HAPs)
- Clearly marks on dark or light surfaces.
- Great for metal, wood, corrugated, paper, and cardboard.
- Available in 2 weather & fade resistant colors.
- Sold in One-Shot, quarts and gallons. (Large sizes available upon request)
- For use with Rol-If-On® and HV applicators.

COMPATIBILITY:

- Safe for most porous & non-porous surfaces.
- Test on surfaces prior to use to ensure compatibility.

DIRECTIONS FOR USE:

Rol-If-On®
- Shake ink well.
- Pour on stamp pad and roll across until inked.

Oneshot®
- Pump assembly until visible ink appearance on roll.
- Roll until evenly coated.

HEALTH & SAFETY:

- Use only with proper ventilation.
- Combustible liquid & vapor: keep away from ignition sources like flames, sparks, or electrostatic charges.
- Avoid skin and eye contact and ingestion.
- For complete health & safety data, refer to SDS at www.diagraphmsp.com

PACKAGING SPECS:

- Quarts packed 6 to container
- Gallons packed 4 to a container
- Oneshot® packed 8 to a container
