The LIGHT AND MIGHTY Chesapeake boot is produced at the Dunlop® USA headquarters in Havre de Grace, Maryland, just steps away from the beginning of the Chesapeake harbor. The Chesapeake harbor has a special place in our nation's history as the birth place of the star-spangled banner where patriots light in number and mighty in heart resisted the world's most powerful navy.

The Chesapeake is the latest in Dunlop®'s made in the USA protective footwear innovation heritage, that includes the game changing DuraPro®, the industry leading Hazmax®, and the made in the USA Purofort® FoodPro to provide the protection and comfort you deserve.
