

- Fire Box: Constructed from 10-gauge mild steel for strength and long-term durability.
- Doors: Fabricated from 14-gauge stainless steel, insulated with fire-resistant insulation for improved safety and heat retention.
- Shelves: Manufactured from 14-gauge stainless steel, providing a corrosion-resistant and easy-to-clean surface.
- Upper Assembly: Entire upper assembly built from stainless steel, ensuring excellent resistance to rust and wear.
- Lining: Firebox is lined with fire bricks to withstand prolonged high-temperature use and extend the product's life.
- Stainless Steel Rake & Shovel – for convenient fire management.
- (5) Meat Hooks – included for hanging cuts of meat during cooking.
- Bottle Opener – integrated for user convenience.
- Traditional Santa Maria style adjustable cooking grate system, offering flexibility for a variety of grilling applications.
- Designed for heavy-duty use in commercial, park, or recreational settings.
- Manufactured in the USA with high-quality materials to ensure long-lasting performance
