Tocopheryl Acetate (Vitamin E)

INGREDIENTS

PRESENTATION

4 fl oz C-41604

SKIN TYPE

All skin types

PURPOSE

Contains cucumber, vitamin E and a variety of other ingredients formulated at a pH close to natural tears. Gently and effectively removes waterproof and non-waterproof eye makeup.

BENEFITS

Helps to remineralize the delicate skin around the eyes; anti-inflammatory and astringent properties

Tones, softens, moisturizes, cools, hydrates and soothes

Derivative of tocopheryl; a stabilizer and emulsifier

Water (Aqua), Cyclopentasiloxane, Isohexadecane, Cucumis Sativus (Cucumber) Fruit Extract, Euphrasia Officinalis Extract, Tocopheryl Acetate, PEG-8, Hexylene Glycol, Propylene Glycol, Citric Acid, Sodium Chloride, Sodium Hydroxide, Disodium EDTA, Diazolidinyl Urea, Iodopropynyl Butylcarbamate, Blue I (CI 42090)

HOME USE

Shake well before each use. Dampen cotton pad and gently wipe the eye area to remove makeup.
