

ASSEMBLY INSTRUCTIONS – 11048 and 8960

1. Carefully layout all parts in a line on a flat smooth surface.
2. Pass the pole through the center hole of the base, then use the wrench (included) to tighten the pole to the base with the screw nut. Note the direction of the Base and Pole curvature orientation shown in the below diagram.
3. Remove the Socket Ring from the socket. Then install the shade securing it with the Socket Ring. Do not over tighten.
4. Install the bulb (not included).

⚠ CAUTION - Refer to the wattage caution label located near the lamp holder for the maximum wattage-do not exceed the wattage.

⚠ WARNING - Do not attempt to replace the bulb while the lamp is plugged into a wall receptacle.

5. Insert the polarized plug into a wall outlet and use the switch to turn on or off the lamp..

Note:

1. This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft dry cloth to remove any excess oil.

2. The above diagram illustrates the installation of your new luminaire.

This is a representative drawing and is not intended to match the style of your luminaire.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

WARNING

California Residents Proposition 65

This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.
