**Peptide Powder Peel**

**KEY PRODUCT ATTRIBUTES**
- Helps to firm and tighten skin
- Smooths skin texture
- Nourishes and helps to protect the skin

**PRESENTATION**
- 10 oz. X-47110 – Powder
- 32 oz. T-27232 – Activator

**SKIN TYPE**
An ideal intensive, professional use only treatment for all skin types especially targeted expression lines, deep wrinkles and skin lacking firmness

**PURPOSE**
This powder peel utilizes breakthrough phyto-peptide technology to help diminish the appearance of fine lines and wrinkles while a blend of mulberry, saxifraga, grape seed extract and vitamin C are added for their skin brightening and toning properties. Store in a cool dark place. Avoid light, heat and humidity.

**KEY INGREDIENTS - POWDER**
- **Myoxinol**
  - Hydrolyzed Hisbiscus Esulentus Extract, Dextrin
  - Significant reduction in muscle cell contractions responsible for wrinkles.

- **Alginate**
  - Skin firming polysaccharide derived from seaweed; draws out impurities

- **Mulberry Leaf Extract**
  - Brightening

- **Standardized Grape Seed Extract**
  - Provides unparalleled phyto-antioxidants

- **Glycyrrhiza Glabra (Licorice) Extract**
  - Brightening

- **Betula Alba Bark Extract**
  - Antioxidant, brightening

- **Ascorbic Acid (Vitamin C)**

**KEY INGREDIENTS - ACTIVATOR**
- **Matrixyl 3000**
  - Palmitoyl Oligopeptide
  - Enhances cell communication within damaged areas of skin to help strengthen and increase water retention

- **Palmitoyl Tetrapeptide-7**
  - Reduces surface wrinkles and fine lines, improves skin’s firmness

- **Blue Algae Extract**
  - Skin smoothing, firming; draws out impurities

- **Sea Lettuce Extract**
  - Helps to remineralize the skin

- **Standardized Grape Seed Extract**
  - Provides unparalleled phyto-antioxidants

- **Aloe Barbadensis Leaf Juice**
  - Hydrating, soothing, softening

**INGREDIENTS**
- Peptide Powder
  - Algin, Morus Alba Leaf Extract, Scutellaria Baicalensis, Saxifraga Sarmentosa Extract, Vitis Vinifera (Grape) Fruit Extract, Ascorbic Acid, Hydrolyzed Hibiscus Esulentus Extract, Dextrin

- Peptide Activator
  - Water (Aqua), Pentylene Glycol, Sodium PCA, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Aloe Barbadensis Leaf Juice, Ascorbic Acid, Panthenol, Vitis Vinifera (Grape) Seed Extract, Spirulina Subsalis Extract, Algae Extract, Ulva Lactuca Extract, Copper PCA, Glycerin, Polysorbate 20, Butylene Glycol, Carbomer, Propylene Glycol, Sodium Hydroxide, Disodium EDTA, Dehydroacetic Acid, Benzyl Alcohol

**INSTRUCTION**

1. In a rubber-mixing bowl, pour all of the Peptide Activator at once on the powder. **Important**: Peptide Activator must be used at cool room temperature 65-70°F.
2. Using a spatula stir quickly and vigorously for one minute to get a homogeneous paste that resembles pancake batter.
3. Apply the paste immediately to the face with a spatula (may be applied over thin gauze or cheesecloth for easier removal) in an even thickness, avoiding the inner eye and nasal areas.
4. The Peptide Peel will begin to set in 5 minutes following the application. Leave on the skin to perform its function for at least 15-20 minutes.
5. Remove by peeling off in one whole piece.
