Ordering Information

PLACING ORDERS: Orders may be placed online or by phone, fax, email, or mail. Please have your customer number available, and indicate how and where you want your order shipped (see Delivery Options below). For co-ops, please coordinate your orders, add-ons, and returns through one person and pay with one check. Regrettably, we are not able to backorder products; if your order contains any out of stock items, please order them on a future order. Items from our retail store may be ordered as well; please contact the office for details..

TERMS OF PAYMENT: Payments may be made with the following credit cards: Mastercard, Visa, American Express, or Discover. Payments by personal check, or money order are due upon receipt of your order, unless credit terms have been pre-arranged. Past due accounts will not receive additional orders without special arrangements. Unpaid account balances over 30 days past due are subject to finance charges of 1.5% per month (18% per annum, with a minimum of \$1.00). Regrettably, checks returned for any reason will receive a \$20.00 charge.

RETURNS AND CREDITS: Since natural foods with no preservatives store best in cool, dry conditions, our warehouses are refrigerated and we guarantee quality at the time of delivery. Unfortunately, we cannot guarantee quality beyond 7 days of delivery due to the variable conditions possible in your location. When calling to request a return authorization, please have your customer number, order number, and the product number of the item(s) you wish to return. No returns or exchanges will be processed after 30 days from delivery.

Restocking Fee: Up to four dollars per item unless merchandise is substandard or delivered by our error.

Product Condition: Items must be in original undamaged container. Please do not write comments on container. Credit will be given on substandard products or products delivered by our error (when requested within 30 days of delivery). Credit will be applied to your next order or a refund check will be sent. If the order was paid by credit card, a credit will be applied to your credit card.

SALES TAX: State and local sales tax will be charged on taxable items in the states where we make deliveries (see below). If you have a sales tax license, please notify our accounting department.

OUR ORDER DEADLINE IS 5:00 PM EASTERN TIME on the day of your deadline. We must receive your complete order, including adjustments and add-ons, by that time.

Regrettably, due to the logistics of preparing your order for shipment, we cannot process any orders received after the 5:00 pm deadline.

POSTAL SERVICE AND UPS DELIVERY: When your order is complete, a shipping charge will be added to your order total based on the shipping weight and destination. For web orders, this charge will be calculated and you can confirm it in your shopping cart as you check out. For phone orders, we will advise you of the shipping charge when you place your order. For COD packages, there is a \$12.00 additional charge. Unfortunately, certain items in our warehouse cannot be shipped by postal service or UPS. (These items are marked with a ‡ in our catalog.) Orders between 200 lbs. and 1000 lbs. can be delivered to commercial and residential addresses using the UPS Ground with Freight service. This service is often 20 -25% lower than regular UPS rates. Please call our office to obtain a shipping quote for this service.

APO AND OTHER ORDERS: All APO and other orders outside the 48 contiguous states will be sent priority rate through the U.S. Postal Service. All such orders are at customers risk ONLY. If there is any damage or loss to the order no credit will be given. A handling charge of \$3.00 will be added to boxes requiring customs declarations.

COMMON CARRIER: For orders of 500 lbs. or more to areas outside our regular Country Life truck delivery routes, common carrier shipment may be the most economical if a commercial loading dock or fork lift is available. Please ask for details.

CUSTOMER PICK-UPS: Warehouse orders may be picked up at our retail store during normal store hours. We ask that you place your order 24 hours in advance of expected pick up. This will allow us to prepare your order and minimize the waiting time you experience when you arrive.

General Product Information

Packaging makes a difference in food quality! The bags used in our Country Life packaged items are special non-breathing films that are odor and residue free. These crystal clear bags are also reusable if you have a bag sealer. The bags are great for storage in your freezer as they resist freezer burn. You can cut them open, use a portion, then reseal and put the product back in the freezer, refrigerator, or on your shelf.

Country Life's warehouse is certified organic by Global Organic Alliance, and is temperature controlled. Our nuts, dried fruits, trail mixes, granolas, and most other products are kept at 40°-45° F. Additional items are kept at 55°-60° F. Unlike many other food suppliers, we never fumigate our warehouse.

A Note About Ingredients: The ingredients of items listed in our catalog may change from time to time without always being updated in the catalog. If you should note a difference, please let us know so we can make the change for future catalogs.

Allergy Alert: Items that are repackaged here at Country Life are handled in a facility that also processes nuts, peanuts, soy, and wheat. Please call if you have any questions.

Non-GMO Products: We strive always to find sources for products that do not contain genetically modified organisms (non-GMO). Currently, the best way to assure that a product is non-GMO is to buy Organic products. All certified organic products must be free of GMO's and the certification process is very strict in tracking the 'paper trail' of these products. Our facilities at Country Life are certified by Global Organic Alliance for both distribution and repackaging of organic products. For any further information, please call our office.

① **Product Number/Item Number:** All of our item numbers are six (6) digits. When an order is faxed or emailed to us, the item number as written down is what we will enter when placing your order. So if you intend to order item number 271242, Carob Bridge Mix 12/12 oz, but you write down the number for the 5# size (270542), you will end up with the 5# size, even if you write down 12/12 oz in the description. We cannot take responsibility for numbers which may have been written incorrectly.

②, ③ **Packaged Size:** The item comes packaged in the size indicated here. ② The 5# above indicates that this will come in a five-pound container. (Throughout this catalog the # symbol in the packaged size column is for pounds.) Items are not available in unit price measurements unless it is the same as the packaged size. ③ When the packaged size is indicated as 12/12 oz (or something similar), the item is for one full case of 12/12 oz.

④, ⑤, ⑥ **Unit Price:** This is for comparison of price per pound or unit. ④ When the packaged size is in pounds (# symbol), the unit price is the amount per pound. ⑤ When the packaged size is a case, the unit price is the amount per item in the case. So in the case of the Carob Bridge Mix 12/12 oz case, the unit price indicates that each 12 oz bag costs \$3.10. ⑥ When the packaged size is in ounces or other measurements, the unit price is typically the same as the packaged size, unless the item comes in a larger size.

⑦ ‡ Symbol indicating that we do not ship by UPS or postal service. This is because the item comes in glass, or in a size that is impractical to ship.

⑧ Indication that a case price discount is available for this item. To receive the case discount, be sure to enter the quantity noted (12 in this example). If you enter a quantity of 1, expecting to get one case, you will receive only one unit.

DRIED FRUIT

- All of our fruit is unsulphured unless otherwise noted.
- We are often asked, "Do your organic dried fruits contain sulphur?" The answer is that any food designated *organic* cannot contain sulphur. *Organic* fruit is always *unsulphured*.
- During the drying process our imported tropical fruit, including pineapple and papaya, is dipped into a sugar solution. It is labeled as "low sugar" by industry standards.
