Four-piece stainless steel measuring cup set

Durable, versatile and dishwasher-safe, the Vollrath® four-piece measuring cup set is an excellent addition to any kitchen. These measuring cups are made of stainless steel and feature a welded rod handle for outstanding durability. Each cup is graduated with smaller sizes for added convenience and has capacity marked in both English and metric scales. These measuring cups feature an integral pour spout and are nestable for convenient storage. Each set includes one 1 cup, ½ cup, ⅓ cup and ¼ cup.
