

PRODUCT SPECIFICATION

# Cook's Stainless Steel Tray Delivery Carts

## *features*

Cook's Stainless Steel Tray Delivery Cart allows you to transport up to 120 insulated trays on the large cart or 80 trays on the smaller cart. With a rugged square tube frame and extra reinforcements, this cart is engineered to provide years of trouble free service. Shielding vertical corner bumpers will protect your walls and door frames and reduce damage to the cart.

### Cook's Brand

Products designed for the toughest environments

#### STANDARD FEATURES

**RUGGED CONSTRUCTION:** Constructed entirely out of 304 stainless steel with 14 gauge shelves, 1" square tube frame and 11 gauge caster plate. The all welded square tube frame is exceptionally durable providing years of service.

**ENHANCED SANITATION:** Fully hemmed construction provides fewer gaps and crevices to attract food product and is easier to clean.

**LARGE CAPACITY:** The carts can hold up to 1200 lbs and hold either 80 trays on 39"L cart or 120 trays on 53"L cart.

**NARROW WIDTH:** 30" width designed to fit through most doorways.

**WARRANTY:** Backed up by a 90 day warranty against manufacturing defects.
