INGREDIENTS

PRESENTATION **SKIN TYPE**

1 oz. E-59501
 An ideal intensive treatment for all skin types, especially mature or environmentally stressed skin.

PURPOSE

The ultimate wrinkle-minimizing complex with the latest scientific discoveries for smoother, firmer, healthier looking skin. A unique combination of four advanced amino acids and plant-derived neuropeptides help to minimize the look of facial expression lines and wrinkles, especially crow's feet, forehead lines and lines around the mouth. The addition of oat kernel extract provides an immediate improvement in the appearance of skin and its firmness, while the other peptides work to produce long-term visible wrinkle reduction.
