# VersaMat

by NOVIPAX™

Absorbent mats designed for  
Home, Healthcare, Foodservice  
and Beyond

## FEATURES

Rapid absorbency  
and reliable retention

Unparalleled durability

High-performance  
non-slip bottom grip

Impervious backing  
prevents liquid  
pass-through

Various size, format  
and absorbency  
options

## VERSATILITY

### Foodservice

Helps maintain safe and  
sanitary kitchens

### Healthcare

Absorbs bodily and  
procedural fluids

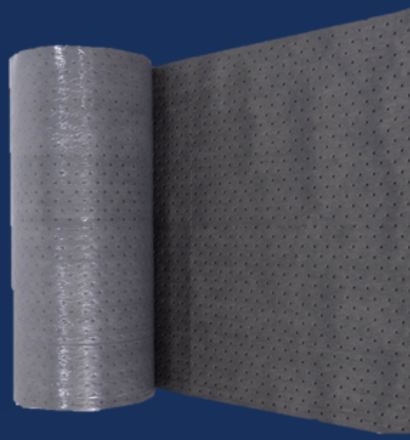

### Industrial and Garage

Captures oil, hydraulic  
fluid, grease and dirt

### Home

Perfect for kitchens,  
mudrooms, basements,  
and bathrooms where  
moisture is a problem

**VersaMat Prime and VersaMat Elite** have been custom engineered for containing and absorbing unwanted liquids in diverse home, foodservice, healthcare, and industrial settings.

Each mat has a high-performance, open-edge absorbent top and an impervious, slip-resistant film bottom to provide unparalleled absorbent performance for high liquid-volume.

- Two absorbencies, three different sizes, and multiple formats provide flexibility
- Exceptional durability and non-slip surface designed for the abuse and rigors of active wet environments
- Product designed exclusively for floors
- All VersaMats are latex free
