Cook's Brand Sentry Series Tray

features

Models: 630-400SS

Improve security in even the toughest, most abusive environments with the Cook's Sentry Series line of trays, tumblers, mugs and sporks. This innovative meal serving ware is made of FDA approved pliable material that bends and flexes so inmates cannot use it to make a weapon. With a broad temperature safe range, trays can go from cooler to heated carts to inmate. The line is highly durable and long lasting, and the innovative material provides safety benefits that aren't available from copolymer or polycarbonate serving ware.
