Model No.: **PBST4W, PBST3W**

EXTREME-DUTY STEAM TABLE

This maximum security steam table is equipped with a unique vandal-proof power up/power down switch. This switch allows the unit to be turned on or off after the cooking controls are set and locked into their desired positions. A slight amount of pressure from a finger activates the switch, turning the line voltage on or off. There are no moving parts in the switch to fail, even if the switch takes a direct impact.

Features & Benefits:

- Heavy-duty, 16-gauge stainless steel with 300 Series stainless steel tops.
- Drains have copper tube manifolds and one brass master valve
- Each well includes individual thermostats and the complete unit is wired to a master switch with indicator
- Extreme Duty package includes stainless steel locking control cover for added security
- PrisonBilt™ Steam Tables are available in electric only and come with a 6' heavy-duty cord and plug
- Optional channel bumper is available, mounted on a heavy gauge stainless steel frame
- Mounted on 5" heavy-duty Prison-Bilt™ casters, two (2) with brakes
- Tamper-resistant hardware
