STANDARD FEATURES

DURABLE CONSTRUCTION: Heavy weight design with reinforced ribs on the underside ensure a long lasting, quality tray.

INCREASED VERSATILITY: With a temperature safe range up to 221°F, these trays can go from cooler to heated cart to inmate.

EXTRA DEEP DESIGN: The six compartments in this design feature a generous 1-inch interior depth, allowing for easy accommodation of larger portion sizes.

TRAY LID: Protect foods from outside contaminants with the compatible translucent tray lid.

WARRANTY: One-year warranty against manufacturing defects.

These durable, extra-deep 6-Compartment Trays feature an optional clear lid (sold separately) that separates each food compartment, keeping contents intact. The tray is constructed from a special blend of plastic that is incredibly strong and ideal for corrections.
